

# NEHEMIAH

BUILDING A CITY  
WITHIN THE CITY

## Week 22 Conclusion

Read Nehemiah 13:23-31 for an overview of the passage.

### Context

At the end of Nehemiah we are not left with a neat resolved ending. Instead we see Nehemiah still embattled with the people of Judah who are prone to wander from God. In this last study reflect over the highs and lows of Nehemiah's work in Jerusalem and consider the battle you face to be faithful in your walk with Jesus.

### Return to Vomit

Reread Nehemiah 13:23-31 and reflect upon the cycle of sin and repentance we have seen in Jerusalem.

How were the Israelites sinning against God this time?  
In what ways did they break their oath in chapter 10?  
How does this history reflect reality in your life today?  
Consider Solomon (vs 26), how has God blessed you on to obedience?  
What sin in you life makes you angry?  
Where is God calling you to stand up for the name of Jesus?

### Remember me, O my God, for good.

What would keep you from praying this prayer today?  
What do you want God to remember you for?  
In what areas do you need to repent in order to be remembered well?  
How has the book of Nehemiah impacted your view of God and your world?  
What attributes of God have you seen displayed in the book of Nehemiah?

### Reflection and Prayer

Reflect on the attributes of God and the elements of the Gospel you see in this passage.  
How do your thoughts and actions testify to the truth you see in these Scriptures?  
Pray that this scripture would transform your life and renew your mind.
