

## COMMUNITY GROUP LEADER BASIC TRAINING

### LESSON 14: WORSHIP IN COMMUNITY

#### **INTRODUCTION:**

In order for us to accomplish the mission of Mars Hill it will take all of us owning the mission. This means that our lives are about reflecting the glory of God and proclaiming the good news. Community groups are uniquely positioned to reach many people who would not darken the door of a church. Through relationships and opportunities, every member of Mars Hill can contribute to the overall mission God has for our church.

#### **ASSIGNMENT:**

Watch the leader training video [Part 14: Relational Geography: A Strategy](#)

#### **REFLECTION:**

Read John 13:34 and reflect on the purpose behind Jesus' command.
